

Proyecto Santo Niño Christmas 2016

Dear Friends of Santo Niño,
In a world where there is so much darkness and sadness, we wish you *glad tidings of great JOY* in this Christmas season and throughout the New Year! We have so many reasons to be hopeful, to be light, to be peacemakers and to be JOY. Our special children remind us to celebrate the gift of life and to never miss a chance to love others.

Be Joy to the World!
